Charles Eugene ("Gene") Wueste

October 27, 1950 - September 23, 2023

It is with heavy hearts that we announce the passing of Charles Eugene ("Gene") Wueste, a beloved father, cherished friend, and a remarkable soul who touched the lives of many. He peacefully departed this world on September 23, 2023 at the age of 72.

Born on October 27, 1950, Gene was a man of unwavering strength and resilience. Throughout his life, he faced numerous challenges with a spirit of determination and courage. As a father, he was a source of love and support to his two children, Christine and Eric, and despite life's ups and downs, his dedication to them never wavered.

Gene had a passion for camping, fishing, traveling throughout the US and several locations abroad, taking historical tours and researching his family's heritage. He pursued his hobbies with enthusiasm and shared with those he held dear. His warm smile, sense of humor, and kind-hearted nature made him an unforgettable presence in the lives of many.

In addition to his children, Gene is survived by his partner Lois Hooper, brother John Dozier, daughter-in-law Crystal Wueste and grandson Jacob Wueste, and a host of cousins and friends who will always remember him fondly.

Visitation will be held on Friday, October 6, 2023 from 5:00-8:00PM at the Earthman Baytown Funeral Home. Also, a celebration of Gene's life will be held at 10:00 AM on Saturday, October 7, 2023 at the same location. Following the service, burial will be at the Lummus Cemetery in Buffalo, Texas at 2:30 PM. Friends and family are invited to join us in honoring his memory and sharing stories of the wonderful moments we were fortunate to have with him.

Memorial contributions may be made in his memory to the Rollingbrook Fellowship Church or charity of your choice.

As we bid farewell to Gene Wueste, we find solace in the memories we shared, knowing that he is at peace. May his soul find eternal rest, and may his legacy of love and resilience continue to inspire us all.

"Though we grieve your absence, your spirit will forever live in our hearts."

With love and remembrance, The Wueste Family

Belated Condolences to Gene Wueste Family and Friends. I had the pleasure of knowing Gene as his Physician Endocrinologist since 2014. When I met Gene, I was practicing in Baytown. Even when I moved my practice to the medical center, Gene continued to make the drive every few months to see me.

It was always a pleasure to see him and he talked about his family fondly especially his Grandson , who he was very proud of.

Rest in peace Gene! It was a pleasure knowing you.

My condolences to family. I had the pleasure of reconnecting with Charles approximately almost five years ago at our last Theodore Roosevelt High School reunion. It was our 50th and brought joy to so many people. Charles was engaging and fun to speak with, and obviously cared so much about his family. Rest in peace, my fellow TR Rider.

I have known Gene over 35 years from attending church together. He was a very kind and quiet spoken gentleman. My thoughts and prayers are with his children and the rest of the family.

It was a pleasure to get to know Gene. He was an avid historian and very helpful to me in my own genealogy research. Sadly we planned to go to Eagle Pass together so he could show me some places from family background but never got to. I will miss having conversations with him. Condolences to the family. I am sure he will be missed.

I wish to express my humblest condolences to Gene's family. May God give you all strength and comfort during this time of loss and continue to as time passes. Gene was my long time dear friend from our high school years to present. Gene and I met back when we were both 16 years old, at a Handy Andy grocery store as part-time stockmen in San Antonio. He worked the cold/frozen items and I had the dry goods and other floor items. Sometimes when got off work around 9 PM we would go to Jim's Coffee Shop and hang out for hours. On weekends, it was usually 'til near midnight. Or we would drive over to Austin Highway, where us young'uns would drive up and down in their "hotrods" hitting several drive-in spots to see and be seen, just like in American Graffiti. What fun we had. We double dated on occasion and loved to harass each other, especially when our rival high school football teams met or when we had to unload the grocery trucks. As we went off to college, sadly we lost touch. Year passed, then Gene looked me up and re-established our friendship. That search took him some effort and I will always be thankful for that. There are many other cherished memories to share but too many to post. I have to say, I am missing you dearly my friend. We are going to have to celebrate when we both see each other in heaven. Until I get there, you take care,

Your buddy and friend,
Mike

Gene will be greatly missed by all. He was an avid family historian who contributed a great deal to the Wueste, Staffel, and Heuser family history. Years ago we spent enjoyable days sharing research of trips to Germany and Texas, and wandering about the homesites and cemeteries in San Antonio and Boerne. God bless you, dear Gene!
